

Olgoonik Corporation (the “Corporation” or “OC”) is proud to offer enrollment to Native descendants of original OC shareholders.

The OC Board of Directors (“Board”) has adopted certain terms and conditions to prevent the dual enrollment of Natives in OC and in other village corporations that have enrollment programs for new Natives. This means that parents who are enrolled in two different village corporations with new enrollment programs must decide which village corporation to enroll their children.

The OC Board also approved the following guidelines to the enrollment program, which become effective immediately:

1. An individual is eligible to receive Class B stock if:
 - a. He or she is Native (as defined in ANCSA); and
 - b. He or she is born after December 18, 1971; and
 - c. He or she is a citizen of the United States; and
 - d. He or she is a lineal descendant of at least one person who holds or held Class A stock that was originally issued directly to that person by OC. A Native person who has been legally adopted shall be considered the lineal descendant of both his or her natural and his or her adoptive parents; and
 - e. He or she has not been enrolled as a shareholder in any other village corporation organized pursuant to ANCSA.
2. An individual is eligible to receive Class B stock if he or she met all of the original enrollment requirements for issuance of Class A shares in OC, but missed the deadline for original enrollment in the Corporation.
3. Grandparents may enroll their minor grandchildren but must provide documented proof of their responsibility for the minor, such as affidavits from a tribal government or State-ordered guardianship.
4. A State agency may complete an enrollment application for a minor in State custody where the parental rights of both parents have been terminated. While such children will be enrolled in the Corporation, their shares and dividends will be held in trust until adoption, appointment of a legal guardian, or they reach the age of 18 years.
5. Legal guardians may enroll their wards as long as the minor applicant meets the eligibility requirements for enrollment.

PLEASE ENCLOSE THE FOLLOWING SUPPORTING DOCUMENTS WITH THE APPLICATION:

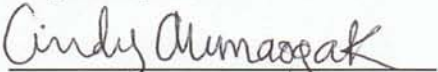

- Photocopy of social security card or proof of social security number;
- Original or certified Birth Certified (copies not accepted);
- Complete Biological Family Tree Form [Form No. 3] (blood quantum required);

Applicants will be notified in writing if further documentation is required; if the application has been approved; and/or if the application has been denied. If the Applicant has been denied enrollment, an explanation of the appeals process will also be provided. A photocopy of the original stock certificate will be mailed to new enrollees.
