

O.E.S., Inc. (OES) provides a wide range of environmental management, oilfield support, fuel systems compliance, and environmental training services for military, government and private sector clients. Our services include:

- Remediation
- Evaluations and Assessments
- Safety Training - HAZWOPER, ICS, Oil Spill Prevention
- Structural Inspections
- Tank and Pipeline Cleaning, Inspection and Related Services
- Oil Well Support Services - Camp Operations, Oil Well Plugging, Abandonment and Drilling Supervision
- Hazardous Waste Management – Collection, Disposal, Manifesting and Soil Remediation
- Regulatory Permitting and Compliance
- Remote Site Services

OES' management style is structured to deliver a finished product that meets the highest professional standards. With a proven track record of exceptional performance, OES offers clients its commitment to the following:

- Timeliness
- Staying within or under budget
- Safety
- Quality control
- Scheduling flexibility
- Utilizing multi-certified personnel
- Compliance with all state and federal regulatory requirements

OES is also committed to the hiring of local work forces, which reduces contract costs and benefits the surrounding community.

As a subsidiary of Olgoonik Development, an Alaska Native Corporation, OES is eligible to participate in several federal preference programs such as the SBA's Small Disadvantage Business Development Program, HUBZone, Direct Conversion (Commercial Activities) and Indian Incentive Program.
