

Olgoonik Logistics provides comprehensive, integrated program support in the areas of supply chain management, transportation, warehousing, maintenance, and planning. Our services include:

- Supply Chain Management
- POL
- Distribution Operations
- Logistics/Warehouse Operations
- Professional Work Force Placement
- Vehicle Operations/Maintenance
- Equipment Maintenance
- Technical Manual Development
- Office Administration Support

Olgoonik Logistics has a proven record of excellent performance and a solid history of maintaining operational schedules without compromising quality or safety. With more than 350 employees working in the U.S., Colombia, and Iraq, the Olgoonik Logistics team is successfully delivering services to the U.S. Air Force, Army, Department of State and Transportation Command.

Olgoonik Logistics' clients benefit from our senior staff's extensive industry experience in commercial and government sectors, our use of modern processes, and our collaborative, solution-orientated approach. In addition to our own capabilities, Olgoonik Logistics has well-established strategic alliances that we can bring to your team to assure an exceptional level of service.

As a subsidiary of Olgoonik Development, an Alaska Native Corporation, Olgoonik Logistics is recognized by the SBA as a small disadvantaged business, making it eligible to participate in important SBA federal preference programs.
