- Supply Chain Management
- POL
- Distribution Operations
- Logistics/Warehouse Operations
- Professional Work Force Placement
- Vehicle Operations/Maintenance
- Equipment Maintenance
- Technical Manual Development/Production
- Office Administration Support

Established in 1999, Olgoonik Logistics has earned an impressive record of performance on a global scale with a proven history of maintaining operational schedules without compromising quality or safety. Clients benefit from our extensive experience in government contracting, rapid response capabilities, and innovative, collaborative approaches to meeting our customer's needs.

With hundreds of employees working in the U.S., Colombia, Iraq and other overseas locations, we have and are currently delivering first-rate services to the U.S. Air Force, Army, Department of State and Transportation Command.

Olgoonik Logistics is part of Olgoonik's accomplished Logistics/Operations Division together with Olgoonik Management Services, providers of high-quality management and facility maintenance services, and Olgoonik Technical Services, an SBA 8(a) company that harnesses the capabilities and expertise of both division companies including fuels management services. Olgoonik Logistics is a subsidiary of an Alaskan Native Corporation and is eligible to participate in a variety of federal preference programs including Small Disadvantaged Business, Indian Incentive, and Direct Conversion programs. OL is proud of its ISO 9001:2008 registration.
