## BLM Proposed Activities near Wainwright Summer 2017

The Bureau of Land Management is proposing to conduct 5 projects near Wainwright in summer 2017 that will require the use of helicopters.

1. Aquatic Assessment, Inventory, & Monitoring (measuring small streams and counting water bugs). July 12-19. 4-5 flights per day. Lodging at OC camp.
2. Archaeology coastal erosion survey. 1 day in early July. Refueling at Wainwright.
3. Vegetation Assessment, Inventory, & Monitoring. July 19 – Aug. 1. 4-5 flights per day. Lodging at OC camp.
4. Native Allotment Inspection. 1 day, early August, with Wainwright resident/allotment heir. Refueling at Wainwright.
5. Legacy Wells inspection. 2 days, early August. Refueling at Wainwright.

BLM wants to present these projects and seek input from the community. BLM has presented the projects to the Wainwright Steering Committee and received a letter of non-objection.

**Please join us at the Community Center to learn more about these projects!**
