RE: Thank you letters for Annual Donations

Hello! The City of Wainwright Recreation Department would like to thank you and your organization for its contribution for our Annual Events. We just had our Annual Easter Egg Hunt and Spring Festival. We do have pictures but at this time I am having trouble attaching them to the letter.

We spent about \$2,200.00 worth of merchandise for our Easter Egg Hunt and held the event right on Easter, April 5th, 2015. The merchandise included: bikes/tricycles, DVD cartoons, word searches, play tunnels, violins, batteries with chargers, sunglasses, art sets, xbox games and candy. The age range was 0-18 and the ages were split into 5 different groups. We had about 200 children who participated and there were a total of 62 prizes. It was a successful event and everyone had fun.

We held our Spring Festival of April 26, 27 and 28, 2015. There were a total of 6 whaling crews that participated in all whaling crew games. They played 2 games a day and each day that they participated, they got a gift certificate. On the first day, their gift for participating was 1 drum of gas each, on the second day their gift was \$500.00 worth of grub from our local Wainwright Cooperative Assn. store, and on the last day, their gift was 1-100# propane. We also held 2 games a day for the public. The prizes was \$40.00 for first place and \$25.00 second. Each game that was played had a successful turn out and no one got hurt. Spring Festival's budget closed at a valued amount of \$8,500.00.

We are very thankful that your organization was able to fund our department to make our Annual Events possible. I would like to apologize that I wasn't able to attach any pictures with this letter. If you would like any, you can get ahold of me at the address provided above.

Thanks Again,

Rossellen Swan
Recreation Department Director
