

Missing Electronic Pay Statements?

December 26, 2013

If you elected to receive your pay statement by e-mail and have not received your statement notice, the e-mail from the Olgoonik server is likely being blocked as Spam by your email provider.

To resolve this, please whitelist the address payroll@olgoonik.com within the email account you use to receive pay statements.

The following links provide instructions on how to whitelist addresses for common email providers:

- [Gmail \(Google\)](#)
- [Yahoo \(or Ymail\)](#)
- [Hotmail](#)

If not listed above, contact your provider directly for assistance with whitelisting. If unsuccessful, contact our IT department at 907.562.8728 and IT staff will do their best to help you.

Thank you!
Olgoonik Payroll Department
